Busy Ants: An Observation Sketchbook

Find the invisible lines.

NotebookLM

Look closely at the reference.

Identify the invisible geometry.

Trust your eyes to connect the dots.

No numbers. No paths. Just observation. Use the reference image in the corner to guide your pencil and uncover the scene.

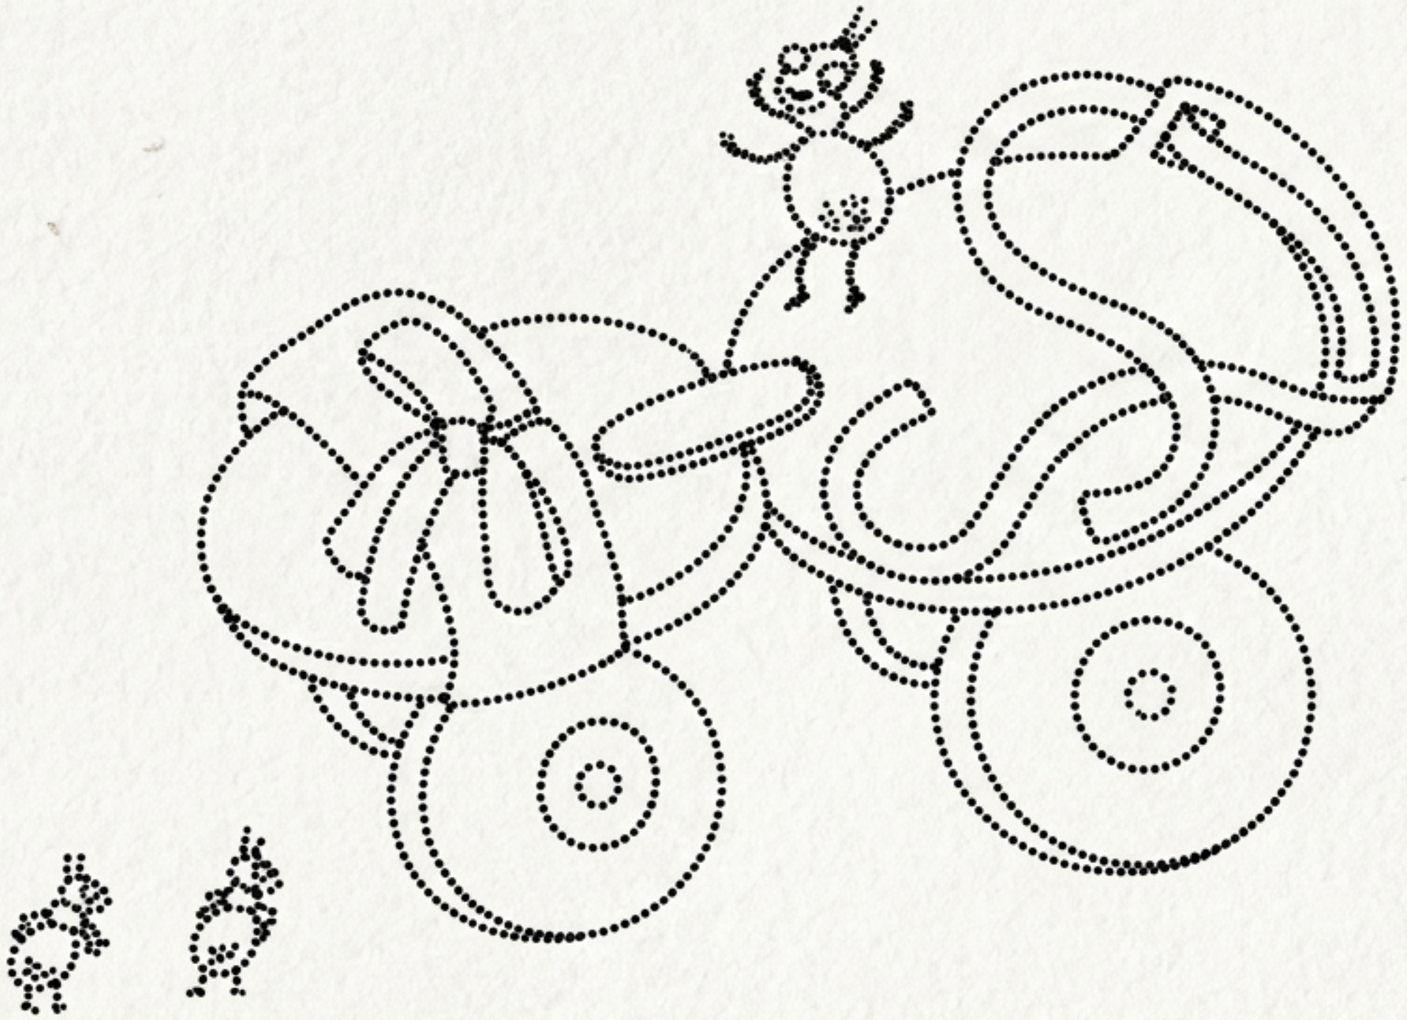
NotebookLM

Movement: We walk silently in a line.

NotebookLM

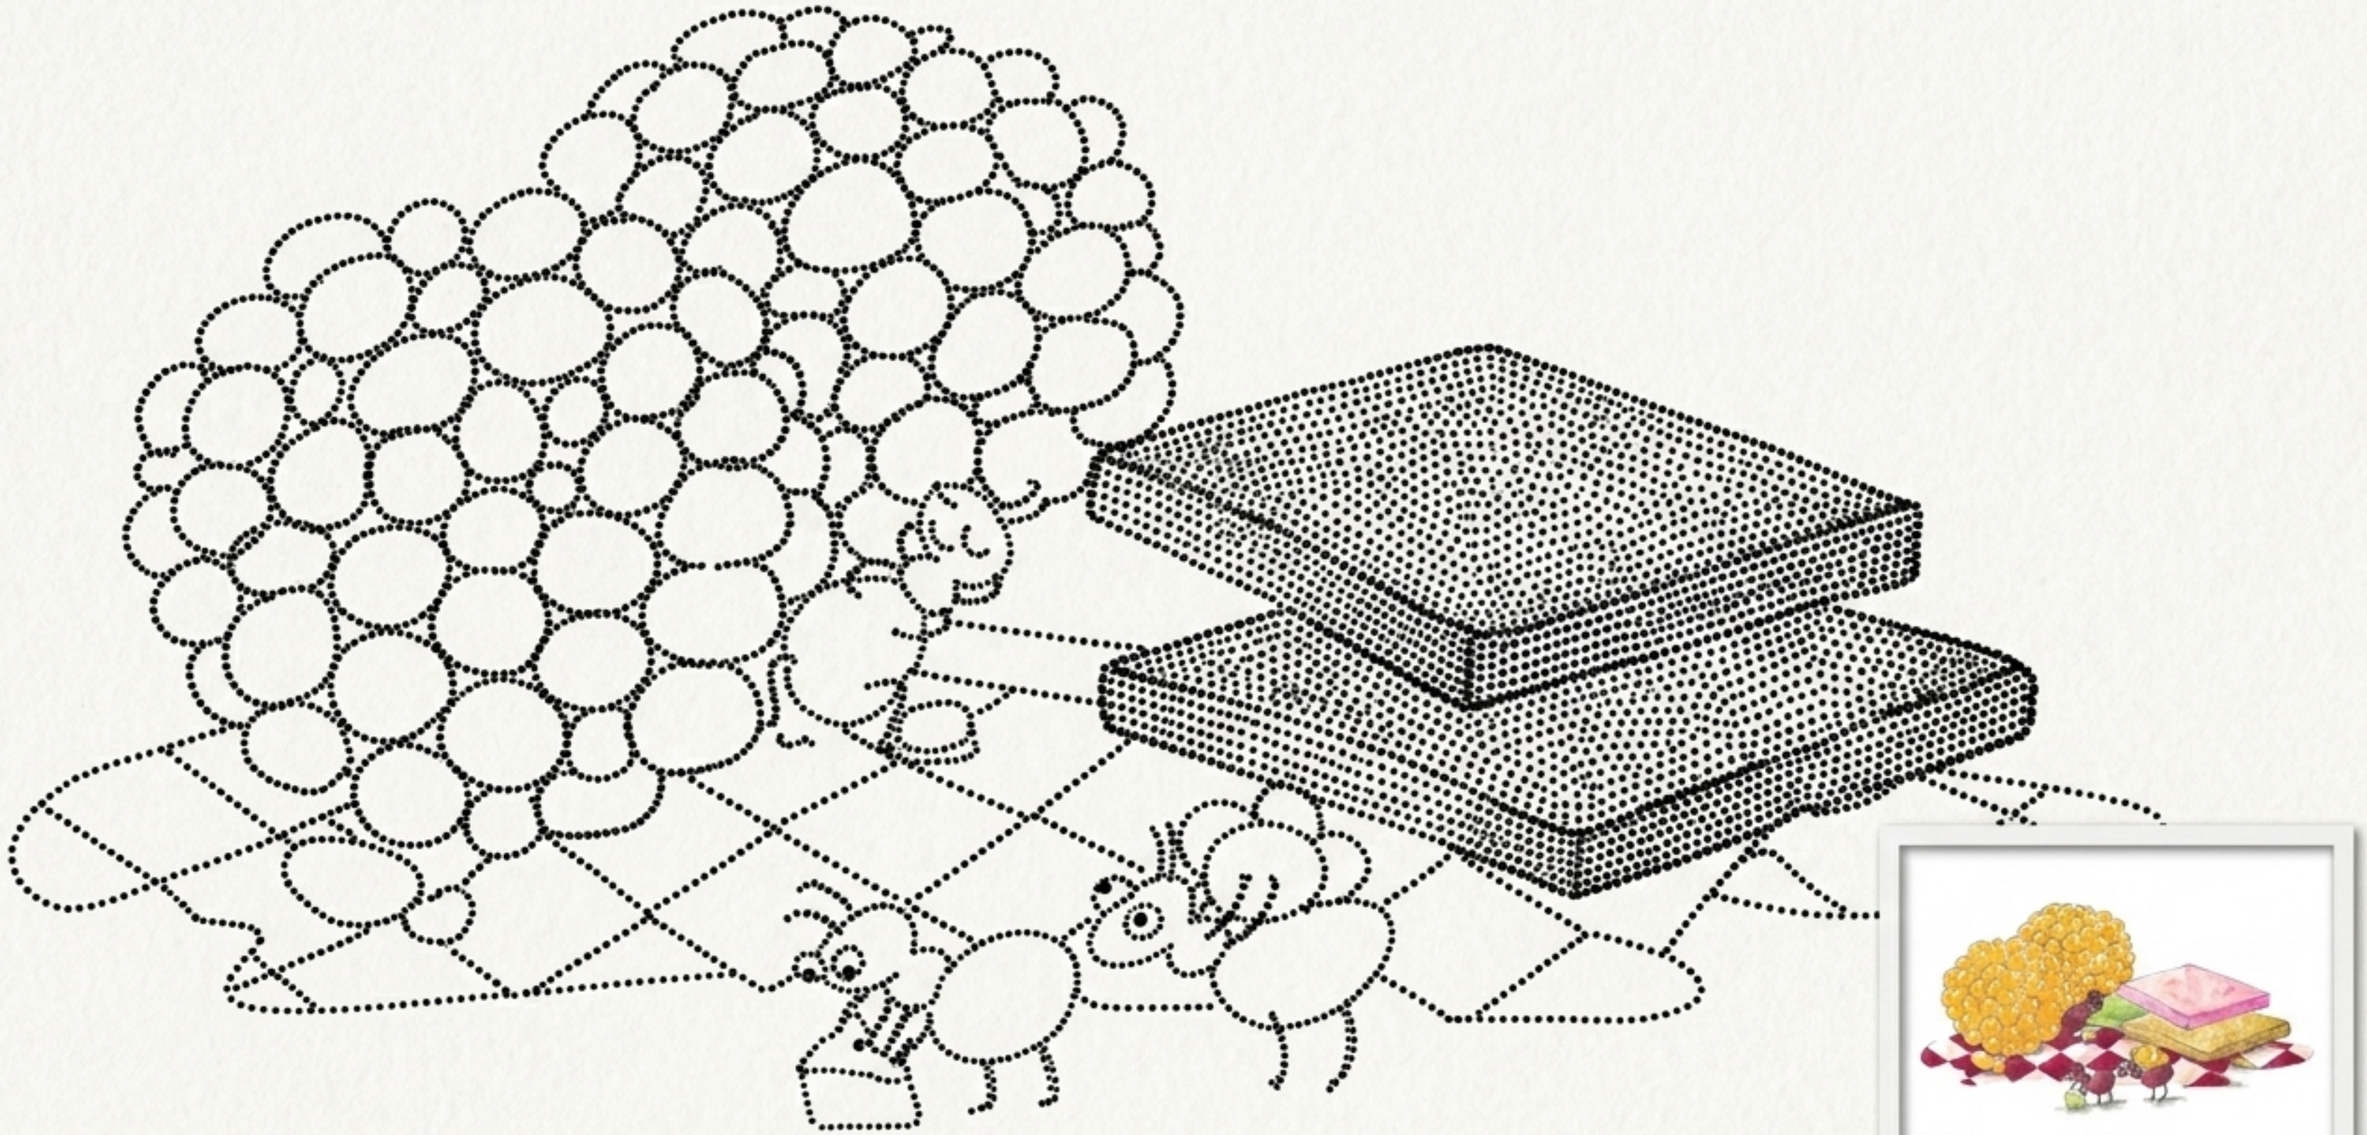
Communication: Ours is a language of smells.

NotebookLM



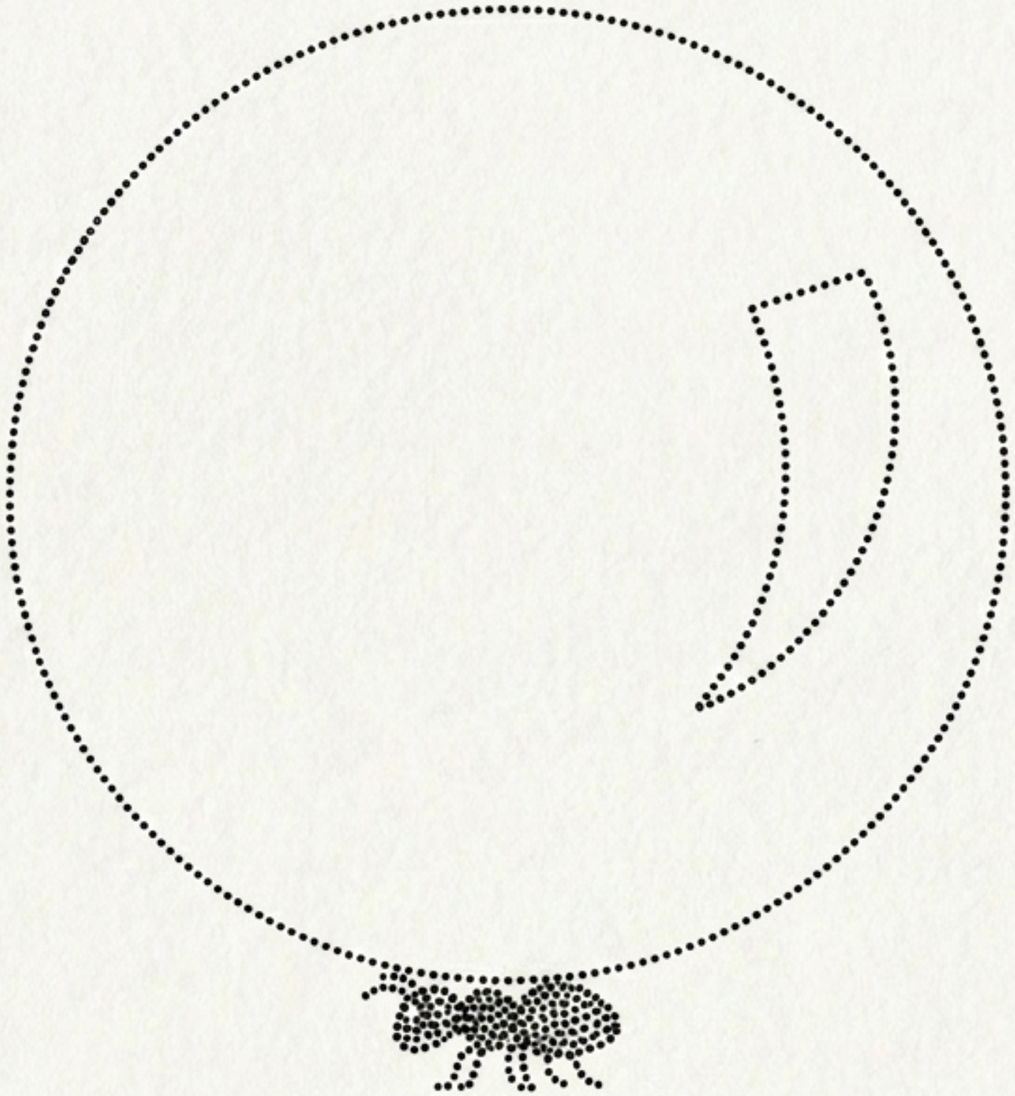
Ingenuity: A set of wheels to move faster.

NotebookLM



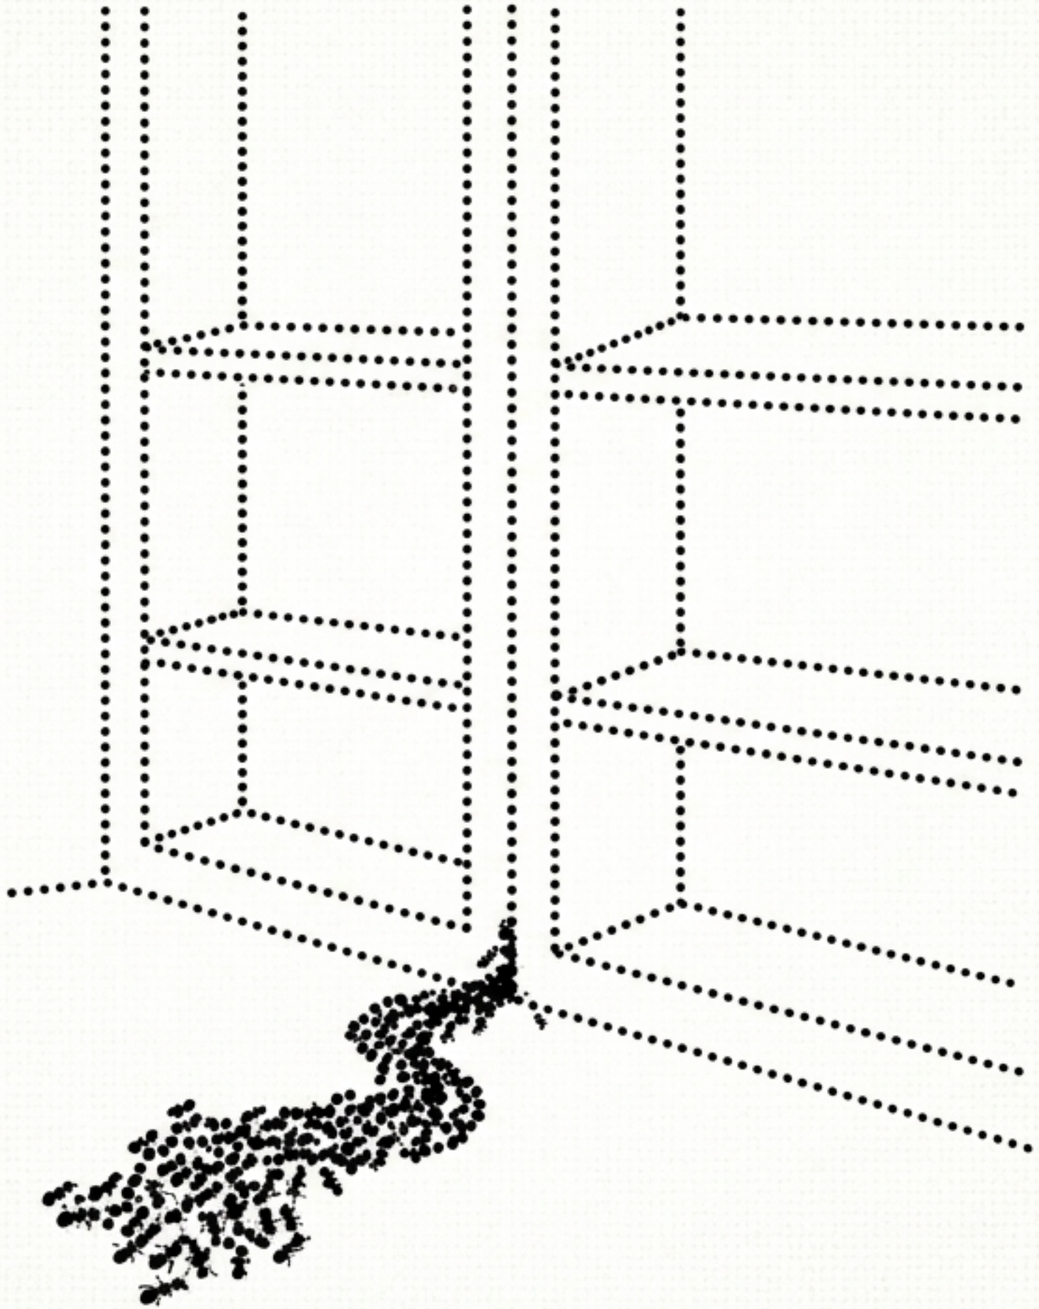
Sustenance: Cakes and all kinds of sweets.

NotebookLM



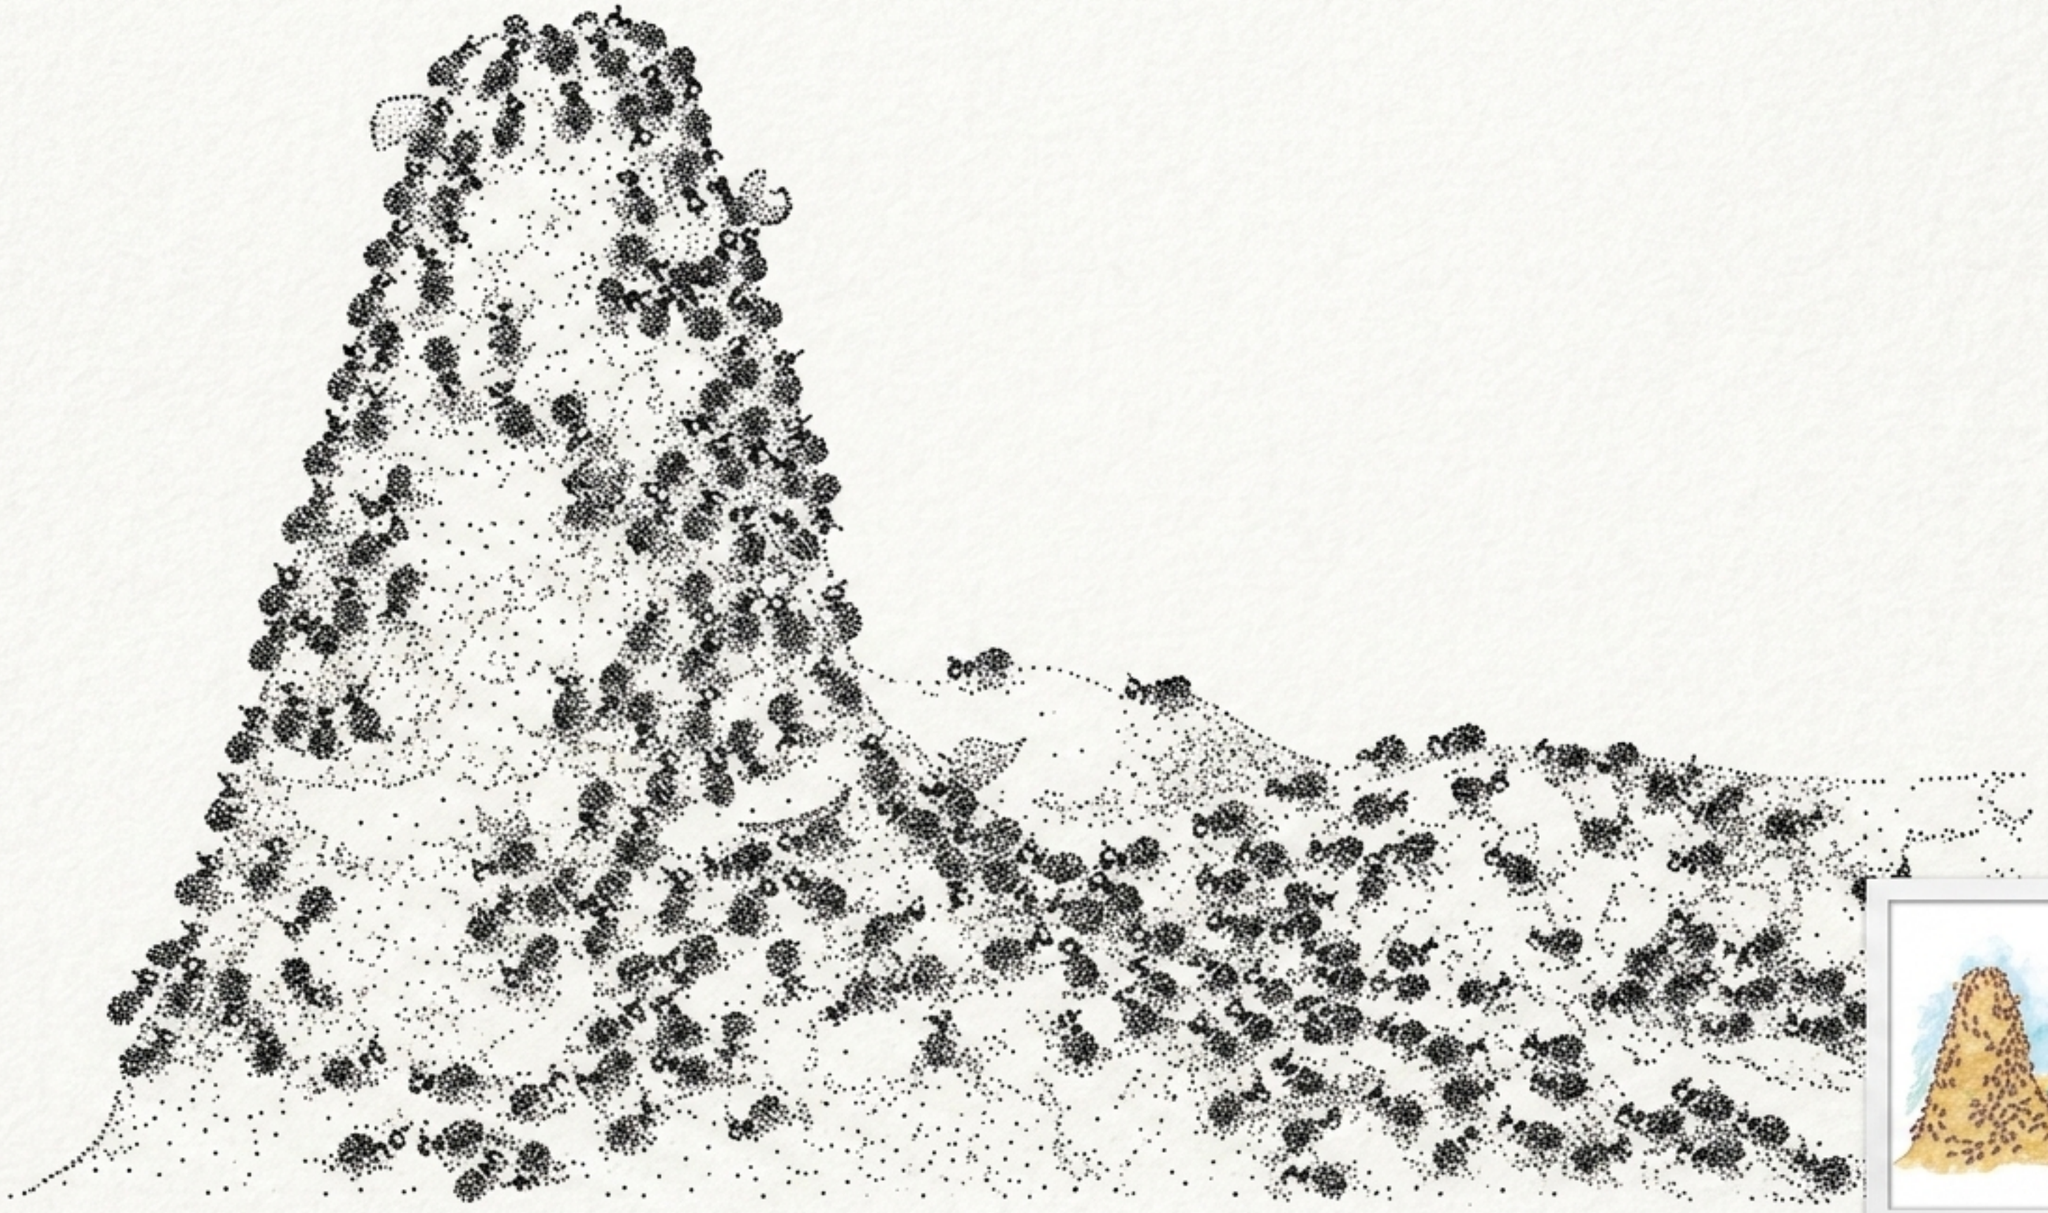
Strength: I may look very tiny to you, but I am very strong.

NotebookLM



Adaptability: Slipping through the smallest crack.

NotebookLM



Community: Hundreds of us live happily in a colony.
